COHORT'S SPLENDID RACE.

SON OF CESARION TRIUMPHS IN GREAT AMERICAN STAKES.

Montgomery Adds Broadway Stakes to His Laurels-El Cuchillo's Greater New York Steeplechase,

New York, June 8 .- Racing at Gravesend today was of a high order. With the Greater New York Steeplchase, the Great American Stakes for the juveniles, the Broadway Stakes for the three-year-olds, and four other well-balanced races, the card was high class all through. While not a per June day, it was a big improvement over While not a perfect weather of the last few weeks and fully 20,000 persons witnessed the sport. While form did not always work out exactly to the idea of the gen eral public, the racing was so full of interest as to round out a very satisfactory day's sport. Montgomery won the Broadway Stakes in such

an impressive manner as to make it plain that Emil Herz was not astray in his judgment when he gave \$25,000 for the son of Pessara a few days ago. On even terms with Frank Gill and conceding five pounds to Arcite and Temaceo, Montgomery rushed to the front, led throughout, to win well in Frank Gill was not well ridden, Notter mak ing his run a half mile from home. This surely lost him second place, while it ruined any chance might have had to beat Montgomery. had the appearance of a horse that has been kept on edge too long and ran a dull sort of race

Cohort won the Great American Stakes, and the victory was a most popular one, although the col-was not the betting favorite. There are no more although the colt popular colors registerd than those of the Oneck Stable, and Mr. Knapp, owner of the stable, has had none of the best of luck in the big events the last few years. Cohort is a splendid looking colt by Cesarion—Ondalan. He is a little fellow, but perfect in conformation, and a picture to look He took the lead from Masque in the second quarter, and was never in trouble afterwards Bar None, the favorite, was very unruly in the paddock, and was not brought out until after the others had paraded. He began his tantrums again as soon as he reached the track, rearing up and finally unseating Koerner. He galloped around to the starting point, where he was caught. Permission was then granted Koerner to go to the barrier and mount him there. This is in direct violation of the rules of racing, which say plainly that "Horses must parade and carry their weight from the paddock to the starting point." Bar None finished third and might have been disqualified had a protest been made.

Chapultepec, about which there has been a great deal of talk all spring, made his debut in this race, but ran very green and was never a factor. He is a good looking colt that will surely do better when he learns what is wanted of kim. Colin is suffering from bucked shins and was withdrawn, while his stable companion, Masque, was added.

Starter Mars Cassidy's sixteen-year-old son, Marshall, had the leg up on Ed Ball in the amateur cup and showed commendable pluck by riding his horse out to take third place after having lost both stirrups. He rode the last half of the race practically bareback. It was his first mount, but he had coached for three or four days by Before leaving home this morning the er said to his father: "You know, dad, Miller. youngster said to his father: when I come over to the barrier I'm a gentleman rider and friendship ceases. I' don't want you favor me, but I'm going to beat the barrier if 1 can; so look out." The young man did not get away well but, under the circumstances, rode a fine

A tremendous killing was made with All Alone in the closing race. He was backed from 10 to 1 to 9 to 5 by Jesse Lewisohn and those who knew of the youngster's good work, and he won handily Jesse Lewisohn is said to have given Notter \$1,900 for riding All Alone, and this will be some balon for the decree of the starter earlier, suspending the boy for three days for disorderly conduct at the

CONDENSED HISTORY OF THE LATONIA DERBY.

In the present state of racing in the middle west the Latonia Derby is the leading event of the section for three-year-olds and, being at the correct Derby distance of a mile and a half, calls for staying as well as speed on the part of its contestants. Its twenty-fourth running occurs tomorrow. In the course of its history it has been won by some exceedingly good racehorses, notably Leonatus, Bersan, Los Angeles Bill Letcher, Kingman, Lazzarone, Halma, Ben Brush, Ornament, Prince McClurg, Lieutenant Gibson Hernando and Sir Huon, but four of its last five winners were of low class. The record of the race is as

Ovelando the Choice-Eight Starters Likely-Still Alarm and Gargantua Doubtful.

Cincinnati, O., June 8 .- The prospects at the pres ent writing are that the twenty-fifth Latonia Derby will be run on a fast track and that eight threeyear-olds will go to the post. The only doubtful ones are Rome Respess' Still Alarm which, his trainer believes, is not ready to go the route and Mose Goldblatt's Gargantua. Nearly all of the Derby candidates are at the track, but none of them has had a real trial at the distance of one mile and a half. The Abbot was the only one to appear on the track today and he was only cantered. His owner, W. J. Young is sanguine and expects his colt to win easily, especially if he is able to secure J. Lee as his rider.

As most of the horsemen are still at Louisville, there was little doing at the track today. it will seem a racing time after the Falls City brigade gets in.

Those who have seen all the horses perform in races and trials are not impressed with Old Hon esty's efforts. Really the best work was done by Bottles, which is owned by a couple of young Cincinnatians. At that he has pulled up lame after every race and trial.

Following is the Latonia Derby field with jockeys

Beau Brummel twice at a mile as a two-year-old, both races being run at Latonia, the first over a fast track, with 101 pounds up, in 1:404, and the other over a good track with 92 pounds up, in 1:413. The Abbot at a mile and a sixteenth at Lexington in 1:475 with 100 pounds up. Bottles won at the same dis tance at Churchill Downs with 106 pounds up, in Prince Ahmed's longest winning race seven-eights of a mile in 1:262, with 112 pounds up, at Churchill Downs. Ovelando's last winning race was a mile in 1:43, with 102 pounds up, at Churchill Downs. Old Honesty's only winning per formance this year was his three-quarters in 1:13; at Churchill Downs, with 105 pounds in the saddle at Churchill Downs, with 105 pounds in the saddle. In his two years on the turf Gargantua has won only one race, that at City Park, carrying 117 pounds over a fast track, three-quarters of a mile, in 1:14½. Redgauntlet has never won at a greater distance than seven-eighths of a mile. He struck a muddy track at Douglass Park last fall and got home in 1:32½, with 106 pounds up. Still Alarm has not started this year. He won four races as a two-year-old, the longest, seven-eighths of a mile, in 1:27½, carrying 103 pounds, at Churchill Downs.

Louisville, Ky., June 8.—Mose Goldblatt said at Churchill Downs this afternoon that Gargantua will not be a starter in the Latonia Derby. His failure to secure an eastern jockey to ride the colt is the reason be gave. In a Cincinnati newspaper it was published this morning that Goldblatt had purchased Hilgert while he was in New York. Goldblatt says this is not true.

FAST TRACK FOR LATONIA DERBY. JACOMO WINS THE TUCKETT STAKES.

Record-Breaking Crowd Sees the Racing at Hamilton-Picktime Scores Again.

Hamilton, Ont., June 8.—The Hamilton Jockey Club counted its record attendance today when 4,500 people went through the pay gate. Complimentary badge holders brought the number to more than 5.000. The racing was highly interesting and the mood of the spectators was all because of the fact that five of the seven races were won by favorites. The Tuckett Selling Stakes for three-year-olds

and upward was the feature. It brought out a small but select field. Chippewa and Euripides were most in demand. Jacomo was practically an out-sider in the betting, but quite a few, remembering his good race of yestrday, took a chance on the son of Gerolstein. Merlingo was first away, closely followed by Euripides. They raced as a team until rounding the far turn, when Merlingo gave it up and Euripides was joined by Court Martial. Turning into the stretch Euripides began to tire and Jacomo, which had been saved from the early pace came with a rush and after a sharp brush drew away and won easily by four lengths from Euripi des, Court Martial finishing third, five lengths in front of Bon Mot.

The handicap steeplechase was not much, but it was an improvement over the races previously run through the field. Four horses finished. Apteryx pulled up after going over fourteen of the obstacles. Picktime, the favorite, won handily by a length from Frank Somers, which had been mak the pace throughout.

The indications are that there will be a shortage of horses at Windsor for the twenty-five days' meet ing beginning next Saturday. The purses will be increased to \$350 and \$400, and all handicaps will be Jockey Lloyd left tonight for Latonia to ride Ovelando in the Derby. Ruby King broke down in the fifth race and may never race again.

MORE RAIN AND MUD AT MONTREAL.

Widow's Mite Wins the Jockey Club Stakes-Prince Fushimi Guest of Honor.

Montreal, Quebec, June 8 .- Prince Fushimi of Japan, was the guest of the Montreal Jockey Club this afternoon and a vast throng numbering the flower nets to aid in the entertainment of the illustrious visitor and to make the occasion a memorable one The intermittent showers did not dampen the ardor of the crowd, which taxed the capacity of the mag nificent new plant. The sport was the best of the week and was thoroughly enjoyed, notwithstanding that the racing was over a heavy, holding track The features were the Jockey Club Stakes, a steeple chase over the full course, two handicaps, one as six furlongs and the other at a mile and an eighth and a race for gentlemen riders which was run over toboggan course.

In the stake only three went to the post, with Cobmosa a warm favorite at odds-on. Cobi the going a bit too stiff and was outrun by both Widow's Mite and Factotum.

Columbia Lad showed himself to be a mud runner of the front rank by cantering away with the se ond race. Columbia Lad was equal choice with Lawless. When the barrier went up he rushed to the front opening up a lead of two lengths before they had gone fifty yards. He was fighting for his head all the last furlong and at the end was four lengths in front of Lawless, which had finished fast to beat Helen Green out for second place.

J. W. Colt's Paprika won the steeplechase. terjoy led until at the eleventh jump where he unseated his rider and then Lulu Young took up the running and when coming over the last jump, ap-peared to have a safe lead. In the last sixteenth she began to tire and Paprika caught and beat her out in the last twenty yards. Kara will be shipped from here to Brookline, where he is entered in several of the stakes.

It was reported Friday that T. Hitchcock, Jr.'s, Salvidere would not be sent to the races until the fall. His physical condition is not of the best, it is said, and John E. Madden has decided to give him a long rest.—New York Sun.

WING TING WINS THE OAKS.

HAWKINS FILLY IS VICTORIOUS AFTER STRUGGLE WITH ALTUDA.

Colored Riders in Exciting Finish-Excellent Sport for the Closing Day of Louisville's Successful Meeting..

Louisville, Ky., June 8 .- With the Kentucky Oaks as the feature of a good program, one of the most successful meetings in the history of Churchill Downs closed this afternoon. The Oaks was won by J. S. Hawkins' Wing Ting, the odds-on favorite, after one of the most sensational stretch drives of the meeting. It was another duel between the colored jockey, J. Lee, on Wing Ting, and D. Austin, on Altuda, and because of this the race was all the more interesting to the spectators. The victory of Lee, who has earned a sort of Isaac Murphy reputation by his brilliant riding here, was well re-ceived by the crowd. They applauded the boy liberally when he rode back to the paddock, carrying handsome floral piece.

Of the seventy-three original nominations to the stake, only five were named to go. Of these, Electorine and Miss Alert were withdrawn, while T. P. Hayes added Lillie Turner in the hope of earning some part of the money. Besides Altuda, Mr. Long also started Victoria B., and had the track remained fast his entry would probably have been made favor-A heavy shower, however, came on just before the first race and left the going sloppy. Information that Altuda might not perform well in the mud sent many of the big speculators to Wing Ting. The success of the Hawkins filly was popular, especially as the daughter of Star Shoot had the distinction earlier in the meeting of hanging up a new track record for a mile. It was the thirtythird running of the Oaks, and the net value to the winner was \$2,410.

The other races provided good contests. The finish between Ada O. Walker and Mackerel was especially close. The judges awarded the purse to the first named. This met with some disfavor, since Mackerel was at odds-on. In the fifth race came another thriller. Lady Baldur, under a terrific drive, got up in the closing stride to nose out Vansel.

Despite the heavy downpour of rain which began shortly before the noon hour and terminated before the horses went to the post in the opening race, one of the best crowds of the meeting was in evidence, and they enjoyed the sport immensely. The successes of Ada O. Walker, Matador, Trenola and Bourbon News gave the layers an opportunity to offset losses sustained by the victories of Wing Ting Boserrian and Lady Baldur.

"From a financial standpoint," said General Manager Matt J. Winn this afternoon, the most successful meeting in the history of the

Winner—B. c, by Gerolstein—Vanish (trained by E. Trotter).

Went to post at 4:25. At post 3 minutes. Start good. Won easily; second driving; third the same. Jacomo was well handled, trailed until well around the far turn, moved up resolutely after entering the stretch, caught Euripides in the final sixteenth, raced him into defeat and drew away with ease. Euripides showed the most early speed, but tired from racing with Merlingo and Court Martial and just lasted long enough to save second place from the latter. Court Martial was always prominent and finished gamely. Bon Mot finished fast. Merlingo showed speed, but failed to stay. Chippewa ran poorly and can do much better. The winner was entered for \$1,100; no bid.

SANFARA WINS OAKLAND FEATURE.

Oakland, Cal., June 8 .- Today's card was an ex reptionally good one for the fag end of eight months of continuous racing. Track and weather conditions were perfect and an immense half holiday crowd was present. The outstanding feature was Sanfara's orilliant achievement in the handicap at one mile. The Ingoldsby mare conceded all the way from 21 to 44 pounds to nine of the fleetest horses in local training, and she could not be restrained to ailing distance of her opponents at any stage of the running. Her marvelous improvement since passing into the care of Early Wright is the wonder of racegoers.

Half of the card was won by favorites, Lord of the Vale, Sanfara and Native Son. Next Saturday the first race will be started at 2:20 instead of 1:40 p. m. as heretofore. The change is made in order to allow sufficient time for the Burns & Waterhouse yearlings, which is advertised to take place on that date.

Thomas H. Williams left for his country seat at St. Cloud.

PLANTLAND'S TRACK ODDS.

When Plantland won at Louisville last Thursday some of the local newspapers and others published the four-flush prices always chalked up by book makers before the beginning of betting on a race, as the real odds at which money was taken Daily Racing Form published correct prices, but these varied so greatly from the quotations referred to as to occasion much inquiry from persons who were deceived by the false price. To settle the matter Daily Racing Form made in quiry of an impartial outsider in the person of the manager of the ring, and this is his reply:

There was as good as 40 and 60 to 1 posted against Plantland, but nothing doing. One man that I know got \$100 to \$10, another \$80 to \$10, another \$40 at 6. The closing price was 2½ and 3 to 1. Most of the money was about 4 and 5 to 1. Dempsey has asked what the prices were. I send this after investigating the sheets on the race.

COLIN HAS BUCKED SHINS.

Few knew that Colin ran in the Eclipse Stakes It was known that he had a with bucked shins. It was known that he had a bad lock, with which he had won both of his previous starts, but as that defect had not proved a hindrance it was generally believed that he would win. Trainer Rowe, however, was uncertain whether Colin could run successfully in such sloppy going.

"With such a burden on his back and the longdistance asked of two-year-olds so far this season it seemed to be inadvisable to bet on Mr. Keene's colt, while the bucked shins were also regarded as a drawback," says the New York Sun. "Yet Colin won and in such a handsome manner that many experts after the triumph declared that the colt was at least the equal of the dead Sysonby. When Colin went to the paddock to cool out a stable hand started to rub the mud off his forelegs. stable hand started to rub the mud off his forelegs. Instantly the colt jumped away as if in pain, while the onlookers for the first time realized that his shins were troubling him."

"Colin did not want to run," said Mountain, in talking of the race, "but when he was put under

a drive he responded gamely. He is the best two year-old I ever sat upon."

Although the old-time "sporting" bookie is rather a rare bird, P. Worth is a fair modern representative. His slate, the other day, against a horse winning at 1 to 2, was "1 to 2, 1 to 4, 1 to 8," for straight, place and third, in a seven-horse field.

CONDENSED HISTORY OF THE KENTUCKY OAKS.

Like its companion event, the Kentucky Derby, the Kentucky Oaks was first run in 1875. It has been run annually since and is by far the oldest western stake for three-year-old fillies and, in its time, has been won by many famous on the track and subsequently as stud matrons. Lucy May, Modesty, Lizzie Dwyer, Pure Rye, English Lady, Miss Dixie, Monrovia, Souffle, White Frost, Crocket, Rush, Lady Schorr, Audience and King's Daughter were all grand young mares, and among those defeated for the Oaks Bye and Bye, Pinafore, Ada D., Wary, Los Angeles, Brandolette, Retrieve, Ethel, Greenwich, Rosinante, Alleviate, May Hempstead and Outcome subsequently won much fame. The record of the Oaks since 1886

FOREIGN RACING NOTES.

The London police Saturday, May 26, raided the Slopes, at Alexandria Park, where betting was going on in connection with the races. Fifteen men were arrested, amidst considerable excitement on the part of the crowd of racing men.

The arrests took place under Clause 1, of the new Street Betting Act, which states that: "Any person frequenting or loitering in streets or public places, on behalf either of himself, or of any other person, for the purpose of bookmaking, or betting, or wagering, or agreeing to bet or wager, or paying or receiving or settling bets, shall in the case of a first offense, be liable, on conviction under the Summary Jurisdiction Acts, to a fine not exceeding £10," &c.

It ought, perhaps, to be explained that the offense took place outside the racecourse enclosures, racecourses being, of course, immune from the Act.

It is a rare occurrence in England to find a grey thoroughbred nowadays, yet two horses of that color ran and won at Birmingham a few days ago. "Flying Ghost, which surprised Pratt, his trainer, by crediting Mr. James de Rothschild with the Doddington Selling Plate," says a London critic, "may be a trifle narrow across the hips, but his other good racing points make up for this defect. The son of the defunct Flying Lemur, the stallion which, be it remembered, died soon after being sold for a good sum to go abroad, defeated Nap pointless, and was cheaply sold to Mr. Reid Walker. Singularly Walter Griggs rode both the greys."

The whip-flourishing tactics pursued by the Aus tralian jockey, L. Hewitt, do not altogether appeal to those lovers of an artistic finish in England, and yet there is no gainsaying that his methods are effective, as shown by his record of eight mounts and four wins since he rode first at Liverpool. He scored his third success on Rarer Sort, hitherto a maiden on the flat.

Famous outsiders in the English Derby Jeddah 100 to 1, Hermit, 66 to 1, Doncaster, 45 to 1, and Sir Hugo 40 to 1.

Eddie Jones, the American jockey, who rode in England a few years ago, has, it is reported, been

seized with paralysis.

Recently at Melbourne, Australia, U. R. Robertson, owner of Poseidom, winner of last year's Sydney Derby. Victoria Derby and Caulfield and Melbourne Cups, purchased a yearling brother to his famous colt, for \$12,250. This constitutes a record price for a yearling in Australia.

M'DANIEL'S RIDING CRITICIZED.

"Mr. Seagram has a strong stable this spring, but his premier jockey, McDaniel, is by no means up to the mark," says the Canadian Sportsman. "He appears to lack judgment as well as nerve, and rides into as many pockets as any apprentice lad could be expected to find out. Such a boy as Mc-Daniel in a race like the Suburban, would be a very serious handicap to a horse; in fact, if he were to ride him, very few turfmen of any experience in section would back Inferno to the extent of a single dollar."

JOCKEYS HANDICAPPED.

Daily Racing Form will publish from time to time a table of the rating of the jockeys riding on American tracks, based on their performances in the saddle. The best riders will be given the uniform rating of 100, and from that point the others will be graded down according to their estimated relative skill. For a difference of five points between the jockeys, three points change in the handicap figures assigned the horses in any race must be made. Only riders frequently in the saddle will be given a place in the table. The following is the

OOK HE

WANT TO LEARN HOW TO DO YOUR OWN YOU handicapping? To be able to tell the class of a race? To be able to find out the consistent horses the in and out runners? The good selling plater from the poor ones?

To be able at a glance to see if a horse is getting better or getting stale from too much racing? To be able to find the soft spots certain horses get into almost every day? To be able to find one or two safe, conservative bets a day at any track? YOU can learn all the above, and more, too, by using the ratings (of every horse running at any recognized track in the country) which appear only in

with instructions given each week how to use them (instructions started in Book No. 130). The following examples will show how the ratings bring the real contenders together:

First race, Louisville, June 3rd-

I have taken the above three races, as each shows up different and will give you different views of the ratings showing how the first four horses will bunch at the finish. Without a doubt this is the best handicapping system ever devised. I have studied them all, but none compares in any way with this one. Not only do you receive the above ratings but the workouts and comments on horses that are ready to run winning races and do at prices that are good enough for any one. A few that went over from last week's Book No. 130:

NONIE LUCILLE			12-1	WON
NO TRUMPER			6-1	WON
COHORT .			8-1	WON
DOLINDA .			9-10	WON
ORACULUM.			5-1	WON
YANKEE GIRL			4-1	WON
KATHERINE MUR	PHY		30-1	WON

and many others that ran 1-2. You also get our best bet each day. See small ad. headed Turf Reporter's Special, which appears in this paper daily.

RECORD THE PAST WEEK:
